

## The Geremia Difference

**Master Pools**  
Master Pools (with design number 1002) is the only Master Pool Club franchise in the nation. Geremia is the only franchise in Sacramento region. (Design Number 1002 only)

**International Master Pools Club membership** is considered the single highest honor for a pool builder. For over 60 years only builders demonstrating superior service, quality construction and technology commitment and the highest regard ethics are awarded and allowed membership. These awards of distinction indicate the highest achievement in water conditioning sector.

**International Pool and Spa Professionals (I.P.S.P.)**  
• Awarded twice among the nation's top 50 pool builders  
• International Builder recognition for over 40 years  
• I.P.S.P. Certified Builder

**Highest Value**  
Order for pools year after year, a Geremia pool project not only enhances your present landscape but dramatically increases the desirability of your estate property. Any master will agree, a Geremia pool is a valuable asset.

**Over 60 years of superior construction experience**, in 1952 from Geremia Co. founded a tradition of perfection and integrity with its first swimming pool, a modest 30' by 30' structure. Today the Geremia family builds hundreds of custom pools every year—so, if each one is like you.

**Highest Technology Commitment**  
For pool components we use only the highest quality materials and the most respected suppliers. Ongoing training ensures that our designers and builders continue to provide the most exciting innovations in the art and science of pool construction.

**Warranty**, We guarantee your pool's structure for as long as you own your home. As a Master Pool Club Member, we also offer the unique benefit of an additional three-year warranty on the equipment installed at the pool.

Geremia Pools

## For Geremia, swimming pools aren't just a business. They're an obsession.

Beginning with our talented design team, through completion of our quality construction process—we can build your dream project like Geremia Pools.

We're a builder with high integrity, broad experience—unique in the Sacramento region with our prestigious membership in the Master Pools Guild.

Our first pool. The year, 1952.

We're a team of detail-conscious professionals, bringing home to you extensive experience from the demanding world of commercial pool installation.

To maximize your multi-phased project, we integrate the art and science of construction, design, repair and remodeling.

Geremia raises the bar when it comes to building standards. When exceeding those set by the pool industry.

We're a team of detail-conscious professionals, bringing home to you extensive experience from the demanding world of commercial pool installation.
